2. A common breakfast chat part I

Hakuouki blog #2

**(Here's the second blog! lol I hope you like it. So far it SEEMS to be pretty popular. So if you guys have any ideas on what I can add to the story, please say so. **

XxTerraxX: Fine, I will add applemilk if it makes you happy

Hannah: Thank you! I'm glad you think that this is funny :3 I wasn't sure at first))

-Commanderof_theShinsengumi has logged on-

-The_joker has logged on-

The_joker: Kondo-san, why do we need to communicate by chatroom? I don't see the point of this

Commanderof_theShinsengumi: Well Souji, it's more efficient, reliable, and faster. This is definitely better then sending a message by foot

The_joker: So you're saying that Yamazaki and Shimada-san aren't doing a good job?

Commanderof_theShinsengumi: What?! No, no it's not that

-ChizuruYukimura:) has logged on-

The_joker: Sweet! Chizuru-chan is on! Good morning Chizuru ;)

ChizuruYukimura:): Actually, this is Saito. Yukimura-kun said that she was having problems with her wifi, so I was testing it out.

**ChizuruYukimura:): **...What do you mean admin?
-Saito

**The_awesome_admin: **The internet is a sophisticated information network and should not be abused under false pretences! Online anonymity is a curse that gives way for cyber bullying and other forms of cruelty. It should be against your honor to take it so lightly!

**Commanderof_theShinsengumi: **...

**I_haz_da_magic_belleh: **O_O

**The_joker: **UM...

**ChizuruYukimura:): **...I'm sorry I asked...
-Saito

-TheViceCommander has logged on-

**TheViceCommander: **yes, that was good. Although, could you not add the green onions? Next time?

**ChizuruYukimura:): **Sure! But why?

**TheViceCommander: **I have my...reasons

**the_awesome_admin: **Hijikata-san, dude, that's really gross

**TheViceCommander: **...I think you're the one with perverted problems, admin

**the_awesome_admin: **Well, at least I don't suck other people's blood. Especially a girls Hijikata-san. One you love at

that.

**TheViceCommander: **Dammit you have a smart mouth

**The_joker: **nice on admin! lol

**the_awesome_admin: **See? At least SOMEONE appreciates my talent

**TheViceCommander: **For the record, that is not a talent

**the_awesome_admin: **You're just jealous

**TheViceCommander: **I'll make you cry

**the_awesome_admin: **Try me XP

**ChizuruYukimura:): **Um, guys... we really shouldn't be fighting right now...

-Saito_Hajime has logged on-

**The_awesome_admin: **If Hijikata was really awesome, he'd come over and smack my face into the keyboardfjbkshdbckhrsbcnbksjfbsj hdfjbjbjhiothuif684y5uifu2389fbfhv niu4ug4yti2bfjahsvjbjfwejkfih

**The_joker: **XD omg Hijikata-san that was AWESOME!

**TheViceCommander: ***evil smile* Why thank you Souji

**Saito_Hajime: **...I admit, that was pretty funny Vice Commander. :) I'm smirking in my room right now

**ChizuruYukimura:): **Um, admin, why are you shouting, "ARRRRRRGGGGGGGHHHHHHHH!"?

**The_awesome_admin: **Thought that would've been obvious by now, but I'll explain anyway. 1) Hijikata smacked my face into the keyboard. And I don't know how to get rid of a bloody nose nor how to get the

blood off my keyboard. 2) I'M LISTENING TO THE RADIO RIGHT NOW AND THEY'RE PLAYING BLURRED LIMES ARGH 3) Hijikata, you really need to manage your anger

**Saito_Hajime: **Blurred limes

The_joker: [Link]

**TheViceCommander: **...Souji. Why did you send us a picture of blurred limes?

**The_joker: **I know you want it

**TheViceCommander: **And for the record admin: I would not have to manage my anger if people would manage their stupidity.

**The_awesome_admin: **...

**Saito_Hajime: **...

**ChizuruYukimura:): **...

**The_joker: **pwned

-The_awesome_admin has logged out-

**The_joker: **HA! who won NOW?!

**TheViceCommander: **Ole madafaka *evil smile*

**Saito_Hajime: **...Um...this isn't over...

**The_joker: **? What do you mean Hajime-kun?

**Saito_Hajime: **Well, for one thing, I saw admin go into the Vice Commander's room with really evil shadows swirling around her

**TheViceCommander: **Oh please, I can take her down

**Saito_Hajime: **...As for the other thing...She had five katanas with her. And if looks could kill, I think she would murder you until she died herself

**TheViceCommander: **...Shit

**Saito_Hajime: **And so he noticed.

.:.:.:.:**End**:.:.:.:.

((Omg! What's going to happen to Hijikata-san?! How about YOU decide?! That's right. I'm talking to you. Yeah, you. If you have a good idea on what will happen to Hijikata, please PM me. Hope you enjoyed! -Azure))

Hakuouki Blog #4

_Azure: Ok, so admin went to the future again. This time, she brought karaoke! So this blog will be about what songs the members of the Shinsengumi will pick and how the others thought of their singing. Enjoy! _

Souji: Heh, this'll be interesting...

Saito: ...what's karaoke?

Azure: You'll see Saito, you'll see... MWAHAHAHAHAHA!

**TheViceCommander: **I think she went to get everyone tea

**The_joker: **Oh ok :3

**I_haz_da_magic_belleh: **Anyways, Souji, why did you gather us like this?

**The_joker: **Well, admin went back to the future and is going to bring something new and exciting to do. It's called "karaoke"

**Heisuke_epicness: **What's that?

**The_joker: **Admin said it was a surprise. She didn't even tell me. I almost killed her for that

**TheViceCommander: **Souji, people always never tell you things -.- why did you almost kill her for something that a lot of other people do to you?

**The_joker: **Because she's admin. enough said.

**Yamazaki_doctor&spy: **Guys, I did some research on this "karaoke" business. Here's the definition: "A form of entertainment, offered typically by bars and clubs, in which people take turns singing popular songs into a microphone over prerecorded backing tracks."

**I_haz_da_magic_belleh: **...What?

**Saito_Hajime: **I did not follow any of that

**Yamazaki_doctor&spy: **Well, it is admin's modern day definition. We're not used to the things, words, and definitions of her time. Let me see if I can find a video or something of karaoke. Kind of like an example, if you will

**TheViceCommander: **Very well Yamazaki

-**Yamazaki_doctor&spy has logged out-**

-The_awesome_admin has logged on-

**The_awesome_admin: **Souji, did you gather them all up?

**The_joker: **Yep! They're all here :P

**I_haz_da_magic_belleh: **You alright admin? We heard something crash outside

**The_awesome_admin: **A little help with the machine would be nice. It's kinda heavy

**Saito_Hajime: **A machine?

**The_joker: **apparently Hajime-kun

**The_awesome_admin: **Ok, I saw I the previous comments that Yamazaki told you what karaoke was. Your task right now is to go online and choose a song you wish to sing. Once you do, study the lyrics until you know it by heart. After that, report the title of the song and the artist to me. I will be choosing people to sing by random, or if you decide to volunteer. Before I start to set up everything, are there any questions?

**TheViceCommander: **Do we have to do this?

**The_awesome_admin: **Yes, you have to do this. Otherwise- *pulls out 5 katanas* I have 5 katanas, and I know how to use them

**Look_at_my_sexy_self: **Is there a contest? Whoever sings the best

gets a prize?

**The_awesome_admin: **Yep! I already prepared the flyer describing it! :D

Heisuke_epicness: Can you read it to us?!
PLEASE?!

**The_awesome_admin: **Fine. Here it is:

**The_awesome_admin: **"CONGRATULATIONS! YOU WON A LIFETIME SUPPLY OF AIR*! *not valid while choking, underwater, drowning, in outer space, holding your breath, or if you're dead.
Enjoy!"

**Commanderof_theShinsengumi: **...

**The_awesome_admin: **...What did you guys think you were expecting? A limo?

**The_awesome_admin: **Never mind. Anyway, start looking for your song. You might also want to search for another one just in case

**Heisuke_epicness: **Found mine!

**The_awesome_admin: **title and artist

**Heisuke_epicness: **"Party Rock Anthem" by "LMFAO"

**The_awesome_admin: **That's kind of an old song, but you're off the list

Heisuke_epicness: Sweet!

**Look_at_my_sexy_self: **I can't decide between two of them...

**The_awesome_admin: ***sigh* Which ones are they?

**Look_at_my_sexy_self: **"I'm sexy and I know it" also by "LMFAO" & "I'm too sexy"

**The_awesome_admin: **Do you know the artist for "I'm too sexy"?

**Look_at_my_sexy_self: **No I couldn't find it...

**The_awesome_admin: **Well then, you obviously know which one you're doing. You're off the list

**I_haz_da_magic_belleh: **I have two: "Waka Waka" by "Shakira" and also "Cruise" by "Florida Georgia Line"

**The_awesome_admin: **Did you want to do "Waka Waka" so that you could show off your painted stomach again
Harada?

**I_haz_da_magic_belleh: **Yep :D

**The_awesome_admin: **Keep them both just in case you want to sing again. You're off the list

**Commanderof_theShinsengumi: **"Shine Bright Like a Diamond" by "Rihanna"

**Saito_Hajime: **...

**The_awesome_admin: **Did everyone choose a
song?

**Commanderof_theShinsengumi: **Yeah

**The_joker: **What about Sannan-san or
Yamazaki-san?

**The_awesome_admin: **I asked them to be the judges along with myself. The karaoke contest will soon begin! I will choose a random person, ad they will sing. Yamazaki, Sannan, and myself with grade you on a scale of 1-10: 1 being "GO DIE IN HELL" to 10 being "You belong in Heaven with that voice of yours". I will start choosing now. Good luck to all of you!

.:.:.:.:**End**:.:.:.:.

**Azure: Haha cliffy :3 I will start the karaoke contest next chapter. Also, sorry that this chapter was really long lol. One other thing: The songs that I chose were just on my mind. They are completely random. Enjoy this chapter! **

**Heisuke: No fair! How come Yamazaki and Sannan-san aren't singing?!**

**Azure: Honestly, I don't see them singing. Besides, you'll have much more fun then they will!**

**Shinpachi: ...Are you sure?**

**Azure: Grading in a contest like this actually puts a lot of pressure on you.**

**Hijikata: *sigh* Anyway, please R & R!**

5. Hakuouki Voice!: Toudou Heisuke

Hakuouki blog #5

**Azure: Hi! Remember me? Probably not lol XD. Anyway, I am very, very sorry for not updating, well, any of my stories in a while. Literally, my life has been hell at school. I've been having SHITLOADS of homework, making me stay up until midnight average for the past two weeks. Ok, seriously, who does that to eighth graders?! We already have enough to deal with. Because of this, I haven't even been able to START a new chapter for any of my stories. When I was writing this (idk when you guys are going to read this message XD) I was sick with stomach flu (not. fun.) But, in a way, I guess it was kind of miracle because I could actually update! So, without further ado, here is "Hakuouki Voice!: Toudou Heisuke"!**

**Souji: Finally. How long has it been since you updated? You said at least two weeks? **

**Harada: Souji, give her a break. She's obviously been through a lot with school, not to mention, she's sick**

**Souji: That may be so, but she doesn't have to fight the Choushuu or the oni and receive serious injury**

**Azure: Do you want to work on a HUGE history project, study for a mastery exam, study for a science final, prepare yourself for the mile in PE, study for a vocabulary and spelling test, and throw up all over the place?**

**Souji: ...**

**Azure: I didn't think so. Saito! It's your turn for the honors!**

**Saito: ...Azure does not own Hakuouki. **

_**Azure: Onward with the story!

**The_awesome_admin: **Thank you, Yamazaki-san! And the final judge is yours truly! Now, without further ado, let us begin! Here is a brief summary of the rules: Each contestant will sing a song, and will be rated on a scale of 1-10, 1 being 'YOU'RE THE BEST!' to 10 being 'My ears! They're bleeding!'. Whoever has the highest score at the end will win and receive a prize! And, if there's a tie, we will hold a song off!

**Sannan-san_fury: **You didn't say anything about a sing off

.:.:.:.:**End Song**:.:.:.:.

**The_awesome_admin: **Alright! Give it up for Toudou Heisuke!

**Heisuke_epicness: **Thank you! :D

**The_awesome_admin: **Alright, let's go to the two other judges. Sannan-san, what do you think?

**Sannan-san_fury: **I noticed that the song was shortened. Was this because you forgot the lyrics, Heisuke?

**Heisuke_epicness: **WHAT?! I FORGOT LYRICS?!

**Sannan-san_fury: **I would have to take that as a yes. Overall, your singing wasn't bad. Adding up the negatives and the positives, I would say... a 6

**The_awesome_admin: **Thank you, Sannan-san. Yamazaki-san, what do you think?

**Yamazaki_doctor&spy: **I would have to agree with the deputy commander about everything that he said. However, allow me to add some other things. Heisuke's voice cracked a bit while singing, and I noticed that his tone of voice did not match the artist's voice. Overall, I'd give him a 4

**The_awesome_admin: **Ouch, harsh. I agree with both Yamazaki-san and Sannan-san, so in my opinion, you earn a 4.5, which brings you at a total of... 14.5 points!

**Heisuke_epicness: **...Seriously?

**The_awesome_admin: **Yes, seriously. A for effort though! A big round of applause for Toudou Heisuke! Thank you Toudou-san, you may take your leave

**Heisuke_epicness: ***leaves*

**The_awesome_admin: **That's all for today folks. Next time, we have Saito-san performing! Until then,
Chao!

.:.:.:.:**End**:.:.:.:.

**Azure: Please don't kill me for taking so long! Also, again, next time Saito will be singing! Yay Saito!**

**Saito: ...Why are we celebrating?**

**Azure: Please do something for me, my readers. After Saito sings, please comment who you would like to see sing next out of these members: Hijikata, Souji, Kondo, Chizuru, Shinpachi, or Harada! Also, please let me know if you want the song lyrics or if you don't. Thank you! Oh yeah! HEY! EARTH TO NARCISSISTIC SHINPACHI!**

**Shinpachi: What?! I was having a good time mocking Heisuke!**

**Azure: It's your turn! Get your lazy ass over here!**

**Shinpachi: *sigh* Please R & R in the comments below... blah blah blah**

6. Hakuouki Voice!: Saito Hajime

_**Azure: Hi! Sorry for acting like I was dead again. School and homework and just. Blargh. Honestly, I don't think my teachers at my school care we too, have our own lives outside of school.
**_

**Shinpachi: That's not my problem. Why are you telling us this?**

_**Azure: No, dummy, I was telling thy READERS what happened to me.
**_

**Hijikata: Then why didn't you say so in the first place?**

**Azure: Just. Just shut up and let Saito sing.**

**Souji: Oh yeah! I forgot Saito was singing today. Good luck Saito!~**

**The_awesome_admin: **Geez, who got you in a grumpy mood? Anyway, Saito, go do your thing!

.:.:.:.:**Hakuouki Voice: Saito Hajime "I Won't Give Up" by "Jason Mraz"**:.:.:.:.

When I look into your eyes

It's like watching the night sky

Or a beautiful sunrise

Well, there's so much they hold

And just like them old stars

I see that you've come so far

To be right where you are

How old is your soul?

Well, I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up

And when you're needing your space

To do some navigating

I'll be here patiently waiting

To see what you find

'Cause even the stars they burn

Some even fall to the earth

We've got a lot to learn

God knows we're worth it

No, I won't give up

I don't wanna be someone who walks away so easily

I'm here to stay and make the difference that I can make

_Our differences they do a lot to teach us how to use _

the tools and gifts we got, yeah, we got a lot at stake

And in the end you're still my friend at least we did intend

For us to work, we didn't break, we didn't burn

We had to learn how to bend without the world caving in

I had to learn what I've got, and what I'm not, and who I am

I won't give up, on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up, still looking up

Well I won't give up on us

God knows I'm tough enough

We've got a lot to learn

God knows we're worth it

I won't give up on us

Even if the skies get rough

I'm giving you all my love

I'm still looking up

.:.:.:.:**End Song**:.:.:.:.

**The_awesome_admin: **Saito Hajime everyone! Give him a big round of applause!

-Heisuke_epicness has logged on-

**Heisuke_epicness: **What?! Why is Saito getting more applause then I was?!

-Look_at_my_sexy_self has logged on-

**Look_at_my_sexy_self: **Because you forgot lyrics and you were a bad singer. Saito was a lot better!

**Heisuke_epicness: **Hmph

**The_awesome_admin: **Heisuke, please stop destroying the equipment. It's not ours. Also, you're giving me a headache

-XxTerraxX has logged on-

**XxTerraxX: **Not me! Already had one!

**The_awesome_admin: **Judges, what do you think?

**Sannan-san_fury: **No offense Heisuke-kun, but Saito-kun was a lot better. He actually remembered the lyrics. However, your voice is too soft Saito-kun. Your audience won't be able to hear you. This is very important. Also, you need to have heart when you sing. It felt like someone was making you sing those words, taking them from your throat. So I will give you a 7

**Saito_Hajime: **...

**The_awesome_admin: **Yamazaki? Anything to add?

**Yamazaki_doctor&spy: **Sannan-san took most of my words right out of my mouth. One more thing: Saito, you. need. to. move. on. stage. By just standing there, your performance was very boring. I give you a 6

**The_awesome_admin: **That's everything I noticed. I will give you a 7, which puts you in the lead with 20 points!

**Saito_Hajime: **...Can I go now?

**The_awesome_admin: **Yes, you can go now. Coming up next on "Hakuouki Voice!", Souji will be singing! Until next time!

.:.:.:.:**End**:.:.:.:.

**Azure: Well, I think Hakuouki Blogs is coming to an end**

**Souji: What? Why?**

_**Azure: I have other stories to work on, and because of school and

homework, I feel bad for not updating frequently. So once everyone is done singing for "Hakuouki Voice!", I'm probably going to end it. But I had fun doing this!**_

**Souji: Please R & R in the comments below! Also, after Kondo-san and I sing, tell us who you would like to sing next: Hijikata, Shinpachi, Harada, or Chizuru!**

**The_awesome_admin: **...Is he asleep?

**Sannan-san_fury: **Don't worry. Okita-kun's singing will wake him up

**The_awesome_admin: **...Well, ok then. Anyway, here's Souji singing "Love Song Requiem" by "Trading Yesterday"!

.:.:.:.:Hakuouki Voice: Okita Souji "Love Song Requiem" by "Trading Yesterday":.:.:.:.

Emily will find a better place to fall asleep

She belongs to fairy tales, that I could never be

The future haunts with memories, that I could never have

And hope is just a stranger, wondering how it got so bad.

I die, each time, you look away

My heart, my life, will never be the same

This love, will take, my everything

One breath, one touch, will be the end of me.

You could be the final straw, that brings me back to earth

Ever-waiting airports, full of the love that you deserve

Wishing I could find a way, to wash away the past

Knowing that my heart will break, but at least the pain will last.

I die, each time, you look away

My heart, my life, will never be the same

This love, will take, my everything

One breath, one touch, will be the end of me.

Emily will find a better place to fall asleep

Maybe she will save me, in the oceans of her dream...

And maybe someday love...

_Maybe someday
love..._

.:.:.:.:End:.:.:.:.

**The_awesome_admin: ***Facepalm*

**The_joker: **Um...It's called "lyrics". Have you heard of them before?

**XxTerraxX: **No! *Sarcasm* What are they?!

**The_joker: **Well, it's usually what makes a song come to life besides the beat, music, and feelings! In most songs, they sing lyrics to usually express what the artist is feeling about someone or something, like an event, or object.

-TheViceCommander has logged on-

**The_awesome_admin: **Anyway, like I was saying TEN MINUTES AGO, Sannan-san, what do you think of Souji's singing?

**Sannan-san_fury: **hmmmm. It was pretty good. Souji you need some work, for your singing isn't the greatest. But, At least your voice was able to be heard. I give you a 7 as well.

**The_awesome_admin: **...Yamazaki is..still asleep...So I'll take his place. I agree with Sannan-san. I actually don't have anything else to add, so I gave you a 7 from me and Yamazaki. So that gives you 21 points, which puts you in the lead!

**The_joker: **Yay! :DDDD

**The_awesome_admin: **Next up, Kondo will be singing "Shine Bright Like a Diamond" by "Rihanna"! Interesting to see how that turns out...

.:.:**End**:.:.

**Azure: I'M SO, SO SORRY FOR NOT UPDATING IN LIKE ETERNITY**

**Saito: You should be ashamed.**

**Azure: ...That makes me feel a LOT better. Anyway, I hope you enjoy this chapter! Hijikata, it's your turn!**

**Hijikata: Please R & R in the comments, blah blah blah you know the drill**

8. Hakuouki Voice!: Kondo Isami

Hakuouki Blog #8

Azure: Um. Yeah. Hi, it's me-

Heisuke: WHERE THE HELL WERE YOU?! YOU WERE GONE FOR, LIKE, MONTHS!

Harada: Yes, please give us a good explanation. We were quite worried about you.

Azure: Awwww, thanks you guys ;-; Anyway, I was just going to explain

Hijikata: This better be good.

Azure: Hush your mouth. So, first of all, I have graduated eighth grade, and moving on to high school-

Shinpachi: OH! Congratulations!

**Azure: That's not the main reason. Like I was saying, I had been having tons and tons of homework, and very important projects that I had to work in classes. They were all kind of last minute, and the teachers were very strict on the grading. And, there was all the graduation crap going on. Honestly, I thought I would have to go to the hospital because of sleep deprivation, dehydration, malnutrition, etc. So that I can work on homework and relax, I was gone and could not work on fanfiction. But now that it is summer, I'll have more time to update. However, I work as a cilt (Counselor in leadership training) at my local YMCA, and I'm pretty much there the entire morning and afternoon. There's my story. **

Shinsengumi: ...

XxTerraxX: I share your pain.

Souji: ...wow.

**Commanderof_theShinsengumi: **Ahahahahahahahaha thank you everyone! :D I hope I didn't do poorly...

**The_joker: **Nonsense. It was... intriguing.

**Heisuke_epicness: **Is that a good... or a bad intriguing?

**The_joker: **And now, Sannan-san, what did you think of the performance?

**Heisuke_epicness: **Oi! Souji! Stop avoiding my questions! D:

**The_awesome_admin: **THAT WAS MY LINE GOD DAMMIT SOUJI

**Sannan-san_fury: **Well, it was very... as Okita-kun said... intriguing. It's not the worst, but let's just say I wouldn't want him to sing for a special event and the like. I give him a 6

**The_awesome_admin: **Yamazaki?

**Yamazaki_doctor&spy: **How could you say that to the Commander?! He deserves a 10!

**Commanderof_theShinsengumi: **Yamazaki-kun, it's okay to be honest...

**The_awesome_admin: **Kondo, it doesn't look like he's going to change his mind. I agree with Sannan, however, let's look at some of the good points. You were very lively, you had lots of movement, and your voice is loud. Those are an important for a singer. I'll give you a 7, which puts you at 23 points! You are now in the lead!

**The_joker: **Darn. Well, if it's Kondo-san, I'm fine with it

**Commanderof_theShinsengumi: **Yay! :D Toshi I'm in the lead!

**TheViceCommander: **Yes, I can see that Kondo-san ._.

**TheViceCommander: **...Fine.

**The_awesome_admin: **What do you need Kazama?

Kazama_the_superior_one: I would like to participate in the foolish human activity called "Karaoke"

**The_awesome_admin: **Song and artist?

**TheViceCommander: **YOU'RE LETTING HIM SING?!

**Kazama_the_superior_one: **"Not Gonna Die" by "Skillet"

**TheViceCommander: **ADMIN!

**The_awesome_admin: **Ooooooooo I love that song! Alright you'll sing next. Why did you want to sing anyway? And Hijikata, ShUT Up oR you'll never SEE DayLiGhT AGaiN

**TheViceCommander: **...

**Kazama_the_superior_one: **I was thinking that if I use my sought out voice, I might charm Chizuru in a more traditional way

**The_awesome_admin: **...Traditional? Well, again, your singing next despite Hijikata's disappointment.

><p>.:.:.:.:Hakuouki Voice: Kazama Chikage "Not Gonna Die" by "Skillet":.:.:.:.

Death surrounds

My heartbeat's slowing down

I won't take this world's abuse

I won't give up, I refuse!

_..._

This is how it feels when you're bent and broken

This is how it feels when you're dignity is stolen

When everything you love is leaving

You hold on to what you believe in

_..._

The last thing I heard was you whispering goodbye

And then I heard you flat line

_..._

No, not gonna die tonight

We're gonna stand and fight forever

(Don't close your eyes)

No, not gonna die tonight

We're gonna fight for us together

No we're not gonna die tonight

_..._

Break their hold

'Cause I won't be controlled

They can't keep their chains on me

When the truth has set me free

_..._

This is how it feels when you take your life back

This is how it feels when you finally fight back

When life pushes me I push harder

What doesn't kill me makes me stronger

_..._

The last thing I heard was you whispering goodbye

And then I heard you flat line

_..._

No, not gonna die tonight

We're gonna stand and fight forever

(Don't close your eyes)

No, not gonna die tonight

We're gonna fight for us together

No we're not gonna die tonight

_..._

Don't you give up on me

You're everything I need

This is how it feels when you take your life back

This is how it feels when you fight back

_..._

No, not gonna die tonight

We're gonna stand and fight forever

(Don't close your eyes)

No, not gonna die tonight

We're gonna fight for us together

No we're not gonna die tonight

_..._

Not gonna die

_(Not gonna die) _

Not gonna die

(Not gonna die)

_ No not gonna die tonight_

_..._

Now that's she's back in the atmosphere

With drops of Jupiter in her hair, hey hey hey

She acts like summer and walks like rain

Reminds me that there's a time to change, hey hey hey

Since the return from her stay on the moon

She listens like spring and she talks like June hey hey hey

Hey hey hey

_..._

But tell me, did you sail across the sun?

Did you make it to the Milky Way to see the lights all faded

And that Heaven is overrated?

_..._

Tell me, did you fall for a shooting star-

One without a permanent scar?

And did you miss me while you were looking for yourself out there?

_..._

Now that's she's back from that soul vacation

Tracing her way through the constellation, hey hey hey (mhmm)

She checks out Mozart while she does tae-bo

Reminds me that there's room to grow, hey hey hey (yeah)

_..._

Now that she's back in the atmosphere

I'm afraid that she might think of me as plain ol' Jane

Told a story about a man who was too afraid to fly so he never did land

_..._

But tell me, did the wind sweep you off your feet?

Did you finally get the chance to dance along the light of day

And head back to the Milky Way

And tell me, did Venus blow your mind?

Was it everything you wanted to find?

And did you miss me while you were looking for yourself out there

_..._

Can you imagine no love, pride, deep-fried chicken?

Your best friend always sticking up for you even when I know your wrong

Can you imagine no first dance, freeze dried romance, five hour phone conversation

The best soy latte that you ever had and me?

_..._

But tell me, did the wind sweep you off your feet?

Did you finally get the chance to dance along the light off day

And head back toward the Milky Way?

_..._

And tell me, did you sail across the sun?

Did you make it to the Milky Way to see the lights all faded

And that heaven is overrated?

_..._

And tell me, did you fall for a shooting star-

One without a permanent scar?

And did you miss me while you were looking for yourself out there?

_..._

_Na, na, na, na, na, na, na, na, na, na, na_

_..._

And did you finally get the chance to dance along the light of day?

_Na, na, na, na, na, na, na, na, na, na, na, na, na, na_

And did you fall for a shooting star, fall for a shooting star?

_Na, na, na, na, na, na, na, na, na, na, na, na, na, na_

And now you're lonely looking for yourself out there.

And when the church doors opened up wide

She put her veil down

Lord please lift his soul, and heal this hurt

The saddest song, that she ever heard

Then they handed her a folded up flag

And she held on, to all she had left of him

Oh, and what could have been

And the guns rang one last shot

And it felt like a bullet in her heart

She's poppin' right out of the South Georgia water

Thought, "Oh good lord! She had them long tanned legs!"

You make me wanna roll my windows down and cruise

We were fallin' in love in the sweet heart of summer

She hopped right up in the cab of my truck and said

"Fire it up! Let's go get this thing stuck!"

Baby you a song

Baby you a song

You make me wanna roll my windows down and cruise

When that summer sun fell to its knees

I looked at her and she looked at me

And I turned on those KC lights and drove all night

'Cause it felt so right, her and I, man we feel so right

_..._

I put in park and

Grabbed my guitar

Strummed a couple chords and sang from the heart

Girl you sure got the beat in my chest bumpin'

Hell, I can't get you out of my head

Baby you a song

You make me wanna roll my windows down and cruise

Terra: Is the bonus going to be-

Azure: NO SPOILERS

Terra: (someone's on their period...)

Azure: WHAT WAS THAT

Terra: Nothing

Azure: Ok, well, anyway, here's the finale! I hope you enjoy! It might be a bit longer than usual!

**The_joker: **Welcome to the finale of Hakuouki Voice! This time, we have the... lovely... admin volunteering to sing for us!

**The_awesome_admin: **WHAT?! Since WHEN did I say that?!

**The_joker: **And, since we had to sing a foreign song, admin does as well! Along with a song she's familiar with! So in other words, admin must sing a song in English AND Japanese!

**The_awesome_admin: **What?...

**The_joker: **Alright admin, or Azure, as she calls herself, choose two songs you wish to sing! One in Japanese, and one in English!

**The_awesome_admin: **...fine, I probably deserve it

**Look_at_my_sexy_self: **What? What gave you that idea? Hahahahaha...

**The_awesome_admin: **Ok, I found two songs. They are a surprise though

**The_joker: **Fine with me! Let's get the ball rolling!

_..._

We're waiting every night

To finally roam and invite

Newcomers to play with us

For many years we've been all alone

_..._

We're forced to be still and play

The same songs we've known since that day

_An imposter took our life away

Now we're stuck here to decay

Please let us get in!

Don't lock us away!

We're not like what you're thinking

_..._

_We're poor little souls _

Who have lost all control

And we're forced here to take that role

_..._

We've been all alone

Stuck in our little zone

Since 1987

_..._

_Join us, be our friend

Or just be stuck and defend

After all you've only got

Five Night's at Freddy's

Is this where you want to be?

I just don't get it...

Why do you want to stay

Five Night's at Freddy's

Is this where you want to be?

I just don't get it...

Why do you want to stay

Five Night's at Freddy's

We're really quite surprised

We get to see you another night

You should have looked for another job

You should have said to this place good-bye

_..._

_It's like there's so much more

Maybe you've been in this place before

We remember a face like yours

You seem acquainted with those doors

><p>The_joker: Um... interesting
song...

**TheViceCommander: **What is "Five Nights at
Freddy's"?

**XxTerraxX: **A fun, family friendly game where all children alike
can enjoy the company of Freddy Fazbear and his other
friends

**Heisuke_epicness: **That doesn't sound that bad, but the song kind
of said so other wise... What was with the characters being locked
out and losing control? I'm confuzzled

**The_awesome_admin: **Stop spouting lies Terra. Five Nights at
Freddy's is the scariest game ever

**XxTerraxX: **Ahahahahahahaha...

**Kazama_the_superior_one: **I personally enjoyed the song. The
lyrics were perfect and sets the right
mood!

**Shiranui_Kazama's_disciple: **...You're crazy man. That song did
not "set the mood".

**XxTerraxX: **Yes it did! :D

**The_awesome_admin: **No it didn't. Although the song and music
itself I like

**The_joker: **Have you chosen a Japanese song?
Azure?

**The_awesome_admin: **Yes. It's still a surprise. Let's get this

Terra: Yes, it will be the best thing EVAR! And no one can say so otherwise. Azure actually gave a huge hint-

**Azure: Alright that's enough. Yes, I did give a hint. Most of you will probably figure it out lol. I won't say anything else until the next chapter! :3

><p>Azure: Hey guys! It's been a while hasn't it?

**Heisuke: School? **

**Azure: Yeah, and my life has just been crazy in

general...**

Azure: Anyway, it appears that the Five Night's at Freddy's thing was not that popular, (Which I can understand, and I apologize) so I have deleted those chapters. This is going to be the last chapter of Hakuouki Blogs.

**Terra: WHAT?! **

Souji: Really? I enjoyed it. It was quite amusing to see how scared we all got...

Kazama: Don't look at me. I wasn't the one screaming in fear.

Souji: Yeah, says the guy who soiled the furniture

Kazama: ...

Souji: Ow. well aren't you a ray of sunshine?...

Azure: *sigh* Well, enjoy the last chapter everyone!

**The_awesome_admin: **My zodiac has nothing to do with this

-Look_at_my_sexy_self has logged on-

**TheViceCommander: **Gemini? Leo? Zodiac? What's this about?

**Ignescent: **"In astrology, this band divided into 12 equal parts called signs, each 30Â° wide, bearing the name of a constellation for which it was originally named but with which it no longer coincides owing to the precession of the equinoxes."

**The_awesome_admin: **...such a precise definition...

**Ignescent: **i got it from yahoo answers

**I_haz_da_magic_belleh: **I'm still confused

**The_awesome_admin: **Ok, I'll do Terra's as an example

**Ignescent: **wait wat

**The_awesome_admin: **So the zodiac has 12 various constellations, for example: Aquarius, Aries, Cancer, etc. Looking at your birth date, one of these twelve constellations falls under you. My birthday is August 17, so my zodiac is Leo the lion. Terra is Gemini. Everyday, week, month, and year, there are various horoscopes, or predictions if you will, for each member of the zodiac.

**Heisuke_epicness: **Oh i see! I want to know what zodiac member I am!

**Ignescent: **alright, then give us ur birthdays.

**The_awesome_admin: **nah i got it

**Saito_Hajime: **You know our birthdays?

**The_awesome_admin: **You guys are quite famous in my era. There's a little magic tool called "Google Search"

**The_awesome_admin: **Ok, Heisuke, you are... i can't find when you were born.

**Heisuke_epicness: **oh, I see...

**The_awesome_admin: **Souji, I can't find yours... Hijikata, you are Gemini... Saito you are Aquarius... and Sano I can't find yours either...

**TheViceCommander: **Gemini huh... wait... THE SAME AS TERRA'S?!

**Ignescent: **HEY I TAKE GREAT PRIDE IN BEING A GEMINI

**The_awesome_admin: **It actually suites you pretty well XD

**The_joker: **Read his horoscope thingy!

**The_awesome_admin: **"People belonging to this sign are versatile and quick-witted. They are spontaneous in communication. They come

across as intelligent people. Their love towards life is evident in their way of living! But they tend to worry too much on certain issues and fail in managing stress. They form opinions pretty quickly and sometimes appear to look at life superficially." Well, this is Gemini, courtesy of Buzzle.

**I_haz_da_magic_belleh: **That actually was pretty accurate...

**The_awesome_admin: **That is supposedly the characteristics of someone born under Gemini. Now for his horoscope for today: "Pessimism over money matters may plague you today, Gemini. Perhaps a desired increase in income hasn't materialized, or you've been hoping to make a particular purchase that you still can't quite afford. This might be the time to put your ingenuity to work and come up with a contingency plan to earn the money you need. You will be able to find good opportunities. It beats waiting!" (Credit to
)

**TheViceCommander: **Huh. This is intriguing information...

**The_joker: **Hijikata-san, are you actually into this?

**TheViceCommander: **W-What?! No way!

**I_haz_da_magic_belleh: **sure sure whatever you say

**Look_at_my_sexy_self: **wat abot Saaaito? didnt u say he was "aquris" ooooor soomfin rrrrrrrright

**TheViceCommander: **are you drunk?

**Look_at_my_sexy_self: **waaaaaaaaat?/ nawwwww bro im not druuuu

be!

**The_awesome_admin: **"You take great pleasure in a neat, organized house, Aquarius. In your mind, cleanliness really is next to godliness. Today you may be dismayed by how rundown your home has become. It's time for some clearing out, dusting, and scrubbing. Do this yourself rather than hiring help. You will be pleasantly surprised at how much it helps you clear your head."

**Saito_Hajime: **...

**I_haz_da_magic_belleh: **You heard the horoscope Saito. Start cleaning the compound, it'll help clear your head.

**Saito_Hajime: **That's a fine idea. I just thinking about how I'm getting a headache from you idiots.

**I_haz_da_magic_belleh: **No not at all. I was just assuming that your fear would be something like heights or snakes

**The_awesome_admin: **I love heights and snakes. Heights makes me feeling like I'm flying and snakes remind me of dragons
